**HB 17, Allow alternative energy system tax credit to be refunded, Rep. Hamilton (D-Bozeman) Hearing, House Taxation, Hearing on 1/07/21, Support.** HB17 amends the Alternative Energy System Tax Credit to make the tax credits refundable rather than have them carry forward year-to-year. These changes will benefit low income individuals in Montana by changing the existing language to ensure that taxpayers who invest in alternative energy and rely on these tax credits receive more immediate monetary benefits if the refund exceeds the individual's tax liability. *Contact Conor Ploeger, Montana Environmental Information Center, 775-997-8059 or [cploeger@meic.org](mailto:cploeger@meic.org)*
